Drawings— Winners to be Selected for Comm-PASS SNS
& Websites

Affirmative Market Program

Commonwealth of Massachusetts

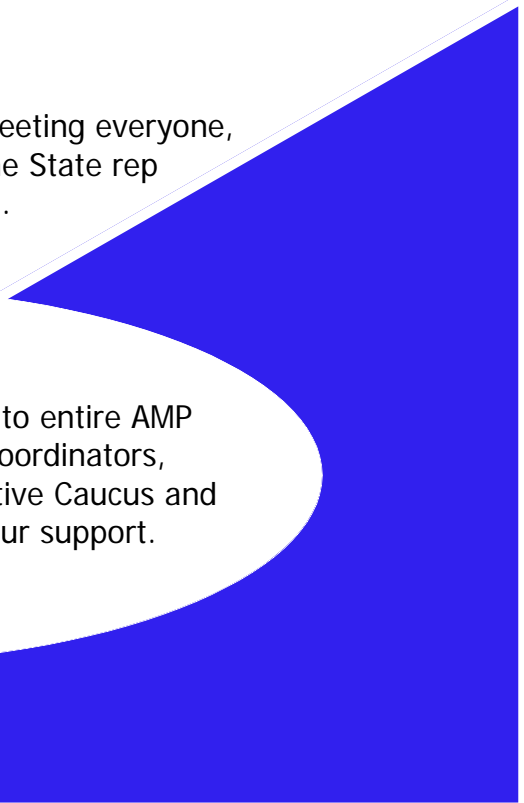

Meet the Vendor Networking

Networking Session Guidelines

1. All attendees should have a name tag, if you did not get one when you signed in please return to the registration table to get one.
2. AMP Coordinators, State Department Contacts and AMP Advisory Board members will be seated at the 20 tables as listed in the Floor Chart.
3. When the AMP Executive Director announces the commencement of the activity M/WBE vendors will be allotted no more than 3 minutes to visit with each representative.
4. When at each table M/WBEs should make introductions, briefly network, and exchange business cards.
5. When the AMP Executive Director announces the end of the 3 minutes, the M/WBEs should move to a different table or representative to repeat the networking process. (In the interest of fairness to everyone, State reps have been instructed to strictly enforce the 3 minute time limit.)
6. This format will continue until noon.
7. To ensure everyone has an equal chance of meeting everyone, MBEs and WBEs are asked not to visit the same State rep more than once during the networking session.

The AMP would like to give special thanks to entire AMP community including Department AMP Coordinators, Agency Heads, M/WBEs, Mass Black Legislative Caucus and the AMP Business Advisory Board for your support.
